

State Park Infrastructure Fund

2011				
Recreation Facilities				
Rice Lake	historic shelter restoration	\$80,000	in queue for engineering	
Big Creek	beach site plan for redevelopment	\$20,000	completed	
MiniWakan	historic lodge restoration - DNR match	\$500,000	under construction	
Lacey Keosauqua	historic beach bldg renovation - DNR match	\$300,000	under construction	
Waubonsie	lodge renovation - DNR match	\$400,000	under construction	
Walnut Woods	playground	\$30,000	completed	
Trail Connections				
Statewide	materials for 25 trail orientation structures	\$107,200	in process	
Interpretation				
Backbone	interpretation plan	\$10,000	completed	
Brushy Creek	interpretation plan	\$6,100	in queue for engineering	
Interpretive Shelter				
Bellevue	interpretive shelter and panels	\$44,000	under construction	
Trailhead/Orientation Panels				
Pikes Peak	trailhead panels	\$16,000	consultant is designing	
Maquoketa Caves	interpretive panels	\$16,000	consultant is designing	
Protecting Visitors & Resources				
Camp electric				
Lake Darling - 70 sites plus 10 full hook-ups	upgrade campground pads - see utility cost below	\$200,000	bid in March	
Volga	equestrian campground electric	\$92,000	under construction	
Volga	equestrian camp pads	\$60,000	under construction	
Shower Buildings				
Lake Ahquabi	shower bldg	\$175,000	completed	
Lake Darling	shower building - 2 & demo	\$420,000	completed	
Clear Lake	shower bldg	\$175,000	completed	
Restrooms				
Dolliver	cabin restroom	\$20,000	in queue for design	
Lake Manawa	restroom	\$20,000	in queue for design	
Lake Ahquabi	n.picnic double Cascadian	\$45,000	waiting for delivery	
Lake Darling	single Cascadian for cabins	\$20,000	completed	
Maquoketa Caves	3 single restrooms	\$80,000	in queue for design	

Prairie Rose	restroom	\$25,000	in queue for engineering	
Volga	equestrian camp dble Cascadian	\$52,000	waiting for delivery	
Wastewater treatment				
Wildcat Den	electric for septic	\$1,900	completed	
Springbrook	replace sewage lagoon & lift stations	\$300,000	in engineering & design	
Big Creek	replace sewage line	150,000	completed	
Geode	sewer design	15,000	in engineering	
Drinking Water				
Wildcat Den	replace water lines	\$16,800	in queue for engineering	
Lake Darling	replace water lines & camp utilities	\$580,000	under construction	
Entrance Portal Restoration				
Lake Ahquabi	historic stone entrance portal	\$66,000	complete	
McIntosh Woods	historic stone entrance portal	\$65,000	under construction	
New Entrance Portals				
Bellevue	stone entrance portal	\$36,000	under construction	
Lacey Keosauqua	stone entrance portal	\$36,000	under construction	
Design, Engineering and Inspection		\$820,000	ongoing	
		\$5,000,000		
2012				
Recreation Facilities				
Backbone	historic cabin restoration - 8	\$480,000	in design	
Big Creek	Neil Smith bike trail emergency repair	\$505,000	in design	
Big Creek	office siding and HVAC replacement	\$30,000	under construction	
Lacey Keosauqua	lodge roof repair	\$20,000	in queue for engineering	
Lake Darling	beach and lodge parking lot (LAWCON cost share)	\$150,000	plans completed for fall construction	
Lake Anita	playground	\$30,000	in queue for engineering	
Springbrook Education Center	carpet	\$15,000	completed	
Pleasant Creek	picnic area electricity	\$10,000	in queue for engineering	
Brushy Creek	playground match	\$15,000	in process	
Lake Wapello	playground match	\$15,000	in process	
Trail Connections				
Wildcat Den	ADA walkway	20,000	bid award in March	

Statewide	ADA access at Lacey and trail orientation materials	\$70,000	in process	
Interpretation				
Backbone	interpretation plan	\$10,000	completed	
Interpretive kiosk				
Backbone	interpretive kiosks - 3	\$75,000	in design	
Bellevue	interpretive shelter and panels	\$44,000	under construction	
Stone	interpretive kiosk	\$25,000	in design	
Trailhead/Orientation Panels				
Pike Peak	trailhead panels	\$10,000	consultant is designing	
Maquoketa Caves	interpretive panels	\$10,000	consultant is designing	
Protecting Visitors & Resources				
Camp electric				
Emerson Bay	upgrade campground - electrical	\$700,000	bid award in March	
Pleasant Creek	electric additional sites & upgrade	\$135,000	in queue for engineering	
Shower Buildings				
Lake Anita	shower building - 2	\$440,000	in queue for engineering	
Lake Ahquabi	shower bldg	\$240,000	bid in March	
Ledges	shower bldg	\$240,000	in queue for engineering	
Pleasant Creek	shower bldg roof replacement - 2	\$42,000	completed	
Restrooms				
Mines of Spain	restrooms - 3	\$80,000		
Wastewater treatment				
Big Creek	replace sewage line	133,000	completed	
Rock Creek	replace sewer lines	150,000	in queue for engineering	
Dolliver	replace dump station & septic field	53,000	in queue for engineering	
Drinking Water				
Maquoketa Caves	water lines & treatment	\$163,000	in design	
Historic Portal Restoration				
Ledges	portal restoration - 2	\$140,000	in queue for engineering	
Lake Wapello	portal restoration	\$70,000	in queue for engineering	
Statewide	district projects	\$60,000	in process	
Design, Engineering and Inspection		\$820,000	ongoing	
		\$5,000,000		

2013				
Recreation Facilities				
Big Creek	beach redevelopment 3 restrooms (replacement), 3 shelters (replacement), 8 mini-shelters, kiosk	\$650,000		
Big Creek	concession bldg storage	\$80,000		
Lake Ahquabi	beach concession building (demo old, new ADA route)	\$155,000		
Brushy Creek	family cabins - 4 year round	\$500,000		
Interpretive Kiosk				
Springbrook	interpretive kiosk	\$25,000		
Brushy Creek	interpretive kiosk	\$25,000		
Protecting Visitors & Resources				
Camp electric				
Lake Manawa	upgrade campground - DNR match	\$540,000		
Wastewater Treatment				
Elk Rock	sewer line replacement	325,000		
Elk Rock	replace sewer lagoon	250,000		
Geode	sewer lagoon	\$250,000		
Big Creek	sewer lagoon	\$250,000		
Shower Buildings				
Springbrook	shower building replacement	\$200,000		
Lake of Three Fires	shower building replacement	\$200,000		
Elk Rock	shower building replacement 2 - (LAWCON cost shared)	\$200,000		
Restrooms				
Brushy Creek	beach restroom & access road & parking	\$250,000		
Statewide	district projects	\$60,000		
New Entrance Portals				
Brushy Creek	entrance portals - 2	\$150,000		
Pleasant Creek	Stone entrance portal	50,000		
Design, Engineering and Inspection		\$840,000		
		\$5,000,000		

2014				
Recreation Facilities				
Brushy Creek	beach shelter - large	100,000		
Lake Ahquabi	family cabin - year-round (4) & utilities	\$575,000		
Emerson Bay	playgrounds	\$30,000		
Volga	overlook shelter and access	\$125,000		
Trail Connections	trail bridge replacement - statewide	\$200,000		
Interpretative kiosks				
Honey Creek, Pine Lake, Brushy Creek, Lewis and Clark, Volga, Pilot Knob, Pikes Peak, Lake Keomah, Lake Ahquabi	interpretive kiosks	\$200,000		
Interpretive Panels	Mines of Spain	\$20,000		
Protecting Visitors & Resources				
Camp electric				
Fairport	upgrade campground - electric 50 sites	\$250,000		
Lake Wapello	upgrade campground - electric 50 sites	\$250,000		
Ledges	upgrade campground - electric 50 sites	\$250,000		
Shower Buildings				
Pilot Knob	shower building	\$200,000		
Lake of Three Fires (1968)	shower building	\$200,000		
Elk Rock (1969) (1970)	shower buildings - 2	\$400,000		
Nine Eagles (1969)	shower building	\$200,000		
Campground Restrooms				
Ledges	campground restroom (2)	\$40,000		
Waubonsie	equestrian camp restroom	\$50,000		
Wastewater treatment				
Lewis and Clark	sewer lagoon	\$250,000		
Green Valley	connect park sewer to Creston	\$250,000		
Drinking Water				
Pilot Knob	water treatment	\$45,000		
Volga	2 wells, treatment and water lines	\$200,000		
Waubonsie	equine equestrian water treatment & well	\$80,000		
New Entrance Portals				
Nine Eagles	stone entrance portal	\$50,000		
Volga	stone entrance portal	\$50,000		
Rock Creek	stone entrance portal	\$50,000		
Lake Darling	stone entrance portal	\$50,000		

Pleasant Creek	entrance portals	\$50,000		
Design, Engineering and Inspection		\$835,000		
		\$5,000,000		
2015				
Recreation Facilities				
Pleasant Creek	visitor contact station	\$75,000		
Clear Lake	playgrounds	\$60,000		
Pleasant Creek	playgrounds	\$60,000		
Big Creek	restroom & shelter replacement	\$300,000		
Mine of Spain	picnic shelter - 2	\$100,000		
Trail Connections				
Lake Darling to Brighton	paved trail - DNR match	\$1,988,500		
Interpretative Shelters				
Palisades Kepler, Lake Darling, Black Hawk, Prairie Rose, Lake Anita, Mines of Spain, Clear Lake, Wapsipinicon, Walnut Woods	interpretive kiosks	\$225,000		
Protecting Visitors & Resources				
Camp electric				
Lacey Keosauqua	upgrade campground electric 45	\$221,500		
Shower Buildings				
Beed Lake (1956)	shower building replacement	\$200,000		
Honey Creek State Park	shower building replacement	\$200,000		
Backbone (1970)	shower building replacement	\$200,000		
Campground Restrooms				
George Wyth	campground restroom	\$20,000		
Brushy Creek	campground restrooms (2)	\$40,000		
Lake of Three Fires	campground restroom	\$50,000		
Beeds Lake	campground restroom	\$20,000		
Viking Lake	campground restroom	\$20,000		
Restrooms				
Mines of Spain	single restrooms - 3	\$80,000		
Wastewater treatment				
Lake Anita	replace gravity sewer line - 7,700'	\$270,000		
New Entrance Portals				
Lake Macbride	stone entrance portals	\$50,000		

Design, Engineering and Inspection		\$820,000		
		\$5,000,000
